
Baseball USA

The Yard

The Mission

To promote the games of baseball and softball in the Greater Houston area and improve the level of play while making a positive influence on our youth.

Our Story

Baseball USA, opened in 1999, is a non-profit 501 (c) (3) corporation which offers up an environment where the game of baseball can either be played for the pure fun of the game or with the goal of one day earning a scholarship or opportunity to play professionally. The intent of Baseball USA is to have a life-long positive influence on Houston's youth.

Each playing field at Baseball USA is meticulously maintained in a manner normally not seen outside the confines of Minute Maid Park, and a full staff of professionals, many of whom have Major League experience, make up the roster of instructors.

Baseball USA is dedicated to reinvigorating the spirit of the game for young baseball players in the Greater Houston community.

What we Offer

7 Baseball fields • 4 Softball Fields • Air conditioned batting cages • Token operated pitching machines • Individual instruction • Spring and fall baseball/softball leagues • Year round baseball/softball tournaments • World Series events • Showcases • Baseball stadium rental • Cage rentals and field rentals • Corporate events • Spring break, summer and holiday camps • Instructional series with college coaches • Pro Shop
